

## ABOUT US

Bartow Builders has been building and remodeling homes in Manitowoc and Sheboygan counties, and beyond, for over 20 years. At Bartow Builders, we pride ourselves on being the area's premier general contractor. We refuse to cut quality for cost and focus on delivering the customer a quality experience. To achieve this, we employ a top-notch management team to keep each project on track, along with a crew of skilled carpenters who are educated on the newest trends and technologies in our industry, and we partner with only the best trade partners to ensure the entire job is completed to our high standards.
