

ABOUT US

Since 1979, Ironwood Plastics has been a leader in the plastics industry. Founded by Gordon K. Stephens, the company was sold to CTB, Inc., a Berkshire Hathaway Company, in 2010. We recognize that technology is constantly changing and our state-of-the-art facilities in Ironwood, Michigan, and Two Rivers, Wisconsin enable us to stay ahead of the latest trends and technologies, giving our clients the highest quality products to meet their unique specifications.
