

Looking for a summer job?

Join the Thilmany Paper Mill in Kaukauna!

We hire summer students in a variety of departments throughout the mill, such as in our paper mill, pulp mill, material handling, and quality lab. Students have the opportunity to earn a good wage through the summer months to help prepare and save for college. Students would be responsible for helping the department with general housekeeping around paper machines and other moving equipment, assisting machine operators, performing grounds maintenance or painting in the mill.

Requirements:

- Must be 18 years or older to work in a manufacturing environment
- Ability to work rotating shifts including nights and weekends
- Ability to work between the months of May/June through August/September

Pay Rate: \$16.65 per hour

Average 1st year student makes roughly \$8-10,000 per summer!

Not interested in college and looking for full-time employment?

We have full-time positions open and are actively recruiting!

Pay Rate: \$22.00 per hour
